1. Who can see the now upon me/them? The now that now is, was, getting ready to happen again; always was; and ever shall be, not; the end nigh/not yet. Is there any, was there one? I didn't see it. I missed it. Missed it not, forgot and erred not but missed seeing and what forfeited? Commandship? Nay. Surrenderland. I love you.

2. Forgiven and incarcerated not, no longer, freedom see, come into. I love/thank you.

3. This is the me/now and now me speaks like father, not; father being, speaking, becoming who surrenders not; surrenders becoming father. I love you. All are, not; surrenderers only/in becoming surrender surrendered to surrender/surrenderers. **And we are all one, not; one that one is, many membered. See the differences I suggest, not; command/instruct and of necessity is.** I love you.

4. This is the now/me and you now me are me, all who in surrender want me, not; want in discipline. And death defying acts of not-me, not; **surrender that dies to words of man/death/darkness and incarceration.**

5. **Prison opened and doors flung afar, enter me, promised land, surrenderland beginning with.** I love you. Me.

6. This is the now.
7. Post.
8. Regain confidence, not; you never lost it/me. Or what is that shiny, slithery thing foaming at the mouth, not; but once in me never lost. See confidence surrendered, died to, death'd, arising in my confidence/resurrection; my power. Grave not; none for you/mine confidence that through crosses have come, not; just one, mine. I love you.
9. Me.

10. Now post, go, enjoy me radically enjoying/ingrained in me purely and only so. Purity reigning, resigning nothing to no one. I love you all. Amen.

Now.
